

On January 18, 2024, the Belgian Society for Human and Animal Mycology (BSHAM) organizes a **Post-TIMM Meeting**.

You were not present during the **11th Congress on Trends in Medical Mycology (TIMM-11)** which took place in Athens, Greece on October 2023. You would like to have a brief overview of the key points discussed during the famous Congress. Our **Post-TIMM Meeting** is a good opportunity to meet face-to-face and to share our experiences during one afternoon.

We will deal with the top 10 papers in Mycology, with update on diagnostic and fungal resistances and finally, with new antifungals in the pipeline.

When? January 18, 2024 from 12.30 a.m. to 5.30 p.m.

Lunch from 12.30 a.m. to 2 p.m. & presentations from 2 p.m. to 5.30 p.m.

Where? In the Sparks, Brussels (next to Central Station – 60, Ravenstein Street, 1000 Brussels)

In which language? English

You'll find herewith our related poster and detailed program.

REGISTRATION BY: <https://www.sondageonline.com/s/imm3cxk>

Registration is free.

INAMI/RIZIV Accreditation is requested.

For any further information, you may contact us by e-mail: micromed@uliege.be or by phone: +32(0)4/323 22 90 – +32(0)4/323 22 91.
